Pulaski County Board Of Health Meeting Minutes February 18, 2021

The Pulaski County Board of Health met on Tuesday, February 18, 2021, at 12:30 PM. This was a Zoom meeting. A Quorum was present.

MEMBERS PRESENT

Steve Kelley, Co. Judge Exec. Reginald Chaney Jim Wesley Dr. Jim Muse Becky Whitis Patty Guinn, RPH Dr. Harvey Schleter OTHERS PRESENT Shawn Crabtree Brigette Bender Ronald Cimala

The meeting was called to order by Judge Steve Kelley

HEALTH EDUCATION:

Melanie Jones was present and went over different ongoing projects in Health Education. They have completed the 2020 Community Health Assessment Booklet.

APPROVAL OF PREVIOUS MINUTES:

Everyone was given a copy in a packet prior to the meeting. Jim Wesley moved that the minutes be approved from the Local Board meeting 02-25-2020. Reginald Chaney second the motion. It was unanimously accepted. There was a special call meeting 7-20-2020 to discuss the mini grant for the City

of Somerset walking trail. Jim Wesley made the motion to approve the minutes, Becky Whitis second the motion. There was no discussion. The motion passed.

OLD BUSINESS:

No old business

NEW BUSINESS:

A. AUDIT REPORT 2020:

Everyone was given a copy of the Audited Financial Statement for Lake Cumberland District Health Department, Somerset, Kentucky, ending June 30, 2020, by RFH CPAs and Consultants. Mr. Crabtree addressed that we had a good audit report and that we are in compliance. Mr. Crabtree recommended that the Board approves the audit report. Reginald Chaney made the motion to accept the audit report Patty Guinn second the motion. There was no discussion. The motion passed.

B. SET LOCAL TAX RATE:

The current tax rate is at three cents per \$100.00 of assessed value; Mr. Crabtree proposed to keep the current tax rate or compensating tax rate, whichever one applies (taking into account new legislation which may or may not end up applying to health departments). The opening balance for July is \$694,696.61 was explained and how we arrived at it. The Public Health Taxing District Budget was explained by Mr. Crabtree. There were no questions on the opening balance. James Wesley made the motion to keep the current tax rate at three cents per \$100.00 of property value or the compensating tax rate, whichever one applies. Reginald Chaney second the motion. The motion passed unanimously.

C. APPROVAL OF BUDGET:

Mr. Crabtree went over in detail the proposed budget with the three cent tax rate and line by line of the items for building maintenance/repairs and furniture/fixtures. Three Board members Steve Kelley, Reginald Chaney and Patty Guinn were appointed to approve the bid on the flooring. Motion was

made by Reginald Chaney to approve next year's budget including the flooring. Becky Whitis second the motion. The motion passed.

D. BOARD MEMBERS WHOSE TERMS EXPIRE:

Those members whose terms expire December 31, 2020 are: Dr. Alvin Perkins, Dr. Tonya Shea, Dr. Fallahzadeh, Petty Guinn, Rodney Dick and Dr. Jim Muse. There is a new online portal to submit renewals paper is no longer needed.

E. APPOINTMENT OF MEMBERS TO SERVCE ON THE DISTRICT BOARD:

Those members who currently serve on the District Board from our Local Board are: Dr. Bruce Jasper, Dr. Fallahzadeh, Dr. Alvin Perkins, Jim Wesley, Patty Guinn and Judge Steve Kelley. Becky Whitis would like to serve if there was an opening. Motion was made by Reginald Chaney to keep current officers if someone does not want to serve Judge can replace them. Jim Wesley second the motion and the motion was passed with no opposition.

F. ELECTION OF OFFICERS:

Current officers are: Judge Steve Kelley, Chairman; Dr. Bruce Jasper, Vice Chair; Becky Whitis, Treasurer and Shawn Crabtree as Secretary. Motion was made by Jim Wesley to keep the current officers Reginald Chaney second the motion. The motion was passed.

G. EXECUTIVE DIRECTOR'S REPORT:

Mr. Crabtree went over the Covid-19 vaccine phase and the daily brief on where we stand.

CONCLUSION:

No other question, Dr. Fallahazadeh made the motion to adjourn Jim Wesley second the motion all were in favor of dismissing and the meeting was adjourned.

Steve Kelley, Chairman

Shawn D. Crabtree Date: 2021-04-09 14:36:42

INDEPENDENT AUDITORS' REPORT

The Board of Health Pulaski County Public Health Taxing District Somerset, Kentucky

Report on the Financial Statements

We have audited the accompanying financial statements of the Pulaski County Public Health Taxing District (the Taxing District) which comprise the statement of assets, liabilities, and fund balance – regulatory basis as of June 30, 2021, the related statement of revenues, expenditures, and changes in fund balance – regulatory basis, for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the financial reporting provisions of the *Administrative Reference* established by the Commonwealth of Kentucky, Cabinet for Health and Family Services, Department for Public Health, Division of Administration and Financial Management as described in Note 1. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles

As described in Note 1, the financial statements are prepared by the Taxing District, on the basis of the financial reporting provisions of the *Administrative Reference*, which is a basis of accounting other than accounting principles generally accepted in the United States of America, to comply with the requirements of the Commonwealth of Kentucky.

The effects on the financial statements of the variances between the regulatory basis of accounting described in Note 1 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

RFH, PLLC • 300 West Vine Street, Suite 800 • Lexington, Kentucky 40507-1812 **Phone:** 859-231-1800 • **Fax:** 859-422-1800

Adverse Opinion on U.S. Generally Accepted Accounting Principles

In our opinion, because of the significance of the matter discussed in the "Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles" paragraph, the financial statements referred to above do not present fairly, in accordance with accounting principles generally accepted in the United States of America, the financial position of the Taxing District as of June 30, 2021, and the respective changes in financial position for the year then ended.

Unmodified Opinion on Regulatory Basis of Accounting

In our opinion, the financial statements referred to above, present fairly, in all material respects, the assets, liabilities and fund balances of the Pulaski County Public Health Taxing District, as of June 30, 2021, and the respective revenues and expenditures for the year then ended, in accordance with the financial reporting provisions of the *Administrative Reference* as described in Note 1.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated October 28, 2021, on our consideration of the Taxing District's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Taxing District's internal control over financial reporting and compliance.

PULASKI COUNTY PUBLIC HEALTH TAXING DISTRICT NOTES TO FINANCIAL STATEMENTS June 30, 2021

1. ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES

The Pulaski County Public Health Taxing District (the Taxing District) was created pursuant to Kentucky Revised Statute (KRS) 212.750. The Taxing District is responsible for requesting, with the approval of the Cabinet for Health and Family Services, that the fiscal court impose an ad valorem tax in an amount that the Board of Health deems sufficient to meet the County's public health needs. The tax rate may not exceed ten cents per \$100 of assessed value. The Taxing District then acts as a trustee over the public health tax fund. The Taxing District is restricted to expending public health tax money for the operation and maintenance of the County Health Department. As such, the Taxing District's fund balance on the statement of assets, liabilities and fund balance, is shown as restricted.

The Taxing District prepares its financial statements in accordance with the *Administrative Reference* established by the Commonwealth of Kentucky, Cabinet for Health and Family Services, Department for Public Health, Division of Administration and Financial Management, which is a regulatory basis of accounting. This basis of accounting and financial reporting differs from generally accepted accounting principles in several areas. Accounts receivable for revenue earned but not received, and expenses incurred, but unpaid, are not recorded. Inventories are not recorded but are expensed to the current period. Capital assets and the related depreciation expense is not recorded; prepaid expenses and unearned revenues are also not recorded.

The Taxing District receives funds from, based on remittances to, the Pulaski County Sheriff, the Pulaski County Clerk's Office and the Commonwealth of Kentucky.

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenditures during the reporting period. Actual results could differ from those estimates.

The Board of Health makes the determination as to when to use restricted or unrestricted funds, when an expenditure is incurred for purposes for which both restricted and unrestricted funds are available.

The Taxing District has evaluated and considered the need to recognize or disclose subsequent events through October 28, 2021, which represents the date that these financial statements were available to be issued. Subsequent events past this date, as they pertain to the year ended June 30, 2021, have not been evaluated by the Taxing District.

2. TAX LEVY

On February 25, 2020, the Pulaski County Board of Health passed a resolution recording the 2021 health tax rate at 3.0 cents per \$100 of assessed valuation on real property, personal property and motor vehicles.

The required minimum local support level is equivalent to 1.8 cents per \$100 of assessed property valuation. The Pulaski County Board of Health has met this requirement as set by the Department of Public Health for the year ended June 30, 2021.

PULASKI COUNTY PUBLIC HEALTH TAXING DISTRICT NOTES TO FINANCIAL STATEMENTS June 30, 2021

3. CASH AND INVESTMENTS

KRS 66.480 authorizes the Taxing District to invest in the following, including but not limited to, obligations of the United States and of its agencies and instrumentalities, obligations and contracts for future delivery or purchase of obligations backed by the full faith and credit of the United States, obligations of any corporation of the United States government, bonds or certificates of indebtedness of this state, and certificates of deposit issued by or other interest-bearing accounts of any bank or savings and loan institution which have a physical presence in Kentucky and are insured by the Federal Deposit Insurance Corporation (FDIC) or which are collateralized, to the extent uninsured, by any obligation permitted by KRS 41.240(4). The Statute also authorizes investment in mutual funds, exchange traded funds, individual equity securities and high-quality corporate bonds that are managed by a professional investment manager and subject to additional requirements outlined in KRS 66.480.

Interest rate risk is the risk that changes in interest rates will adversely affect the fair value of an investment. Investments held for longer periods are subject to increased risk of adverse interest rate changes. The Taxing District does not have a policy governing interest rate risk.

Custodial credit risk is the risk that, in the event of the failure of the counterparty, the Taxing District will not be able to recover the value of the investment or collateral securities that are in the possession of an outside party. In order to anticipate market changes and provide a level of security for all funds, the collateralization level shall be one hundred percent of the market value of the principal, plus accrued interest.

The Taxing District's deposits at June 30, 2021 were fully covered by federal depository insurance or by collateral held by the custodial banks in the Taxing District's name.

| Total cash and certificate of deposit | \$ | 786,405 |
|---------------------------------------|-----------|-----------|
| FDIC insurance | | (500,000) |
| Collateral held by pledging bank | | (286,405) |
| | | |
| Under (Over) Collateralized | <u>\$</u> | |

4. RELATED PARTIES

The Taxing District is related to the Lake Cumberland District Health Department by common board supervision. A total of \$1,267,810 in public health taxes were transferred to the Lake Cumberland District Health Department during the year ended June 30, 2021. An additional \$43,634 was transferred to the District Health Department to reimburse it for paying operating expenses of the Taxing District and for grants and donations from the Taxing District.

5. COVID-19 PANDEMIC

Since early 2020, the COVID-19 pandemic forced certain restrictions the United States and the State of Kentucky. The economic impact of the pandemic could result in a negative impact on the Taxing District's revenues. The duration and pervasiveness of the pandemic are uncertain as of the date of these financial statements. The Taxing District is continuously evaluating the impact of COVID-19 on its operations and finances.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

The Board of Health Pulaski County Public Health Taxing District Somerset, Kentucky

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the Pulaski County Public Health Taxing District (the Taxing District) as of and for the year ended June 30, 2021, and the related notes to the financial statements, which collectively comprise the Taxing District's basic financial statements, and have issued our report thereon dated October 28, 2021. Our report contains an unmodified opinion on the regulatory basis of accounting in accordance with the *Administrative Reference*.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Taxing District's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Taxing District's internal control. Accordingly, we do not express an opinion on the effectiveness of the Taxing District's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Taxing District's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

RFH, PLLC • 300 West Vine Street, Suite 800 • Lexington, Kentucky 40507-1812

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Population/Resources 2021

Population

While Kentucky is ranked in the top ten unhealthiest states, our District is below the state average. Kentucky statewide population averages 35% in obesity (US – 26%) (1), 29% in physical inactivity (US-19%) (1), and 13.1% with diabetes (2). Our district population averages 37% in obesity, 33% in physical inactivity and 14 % with diabetes. Our district includes ten of Kentucky's 120 counties. Nine of these ten counties are Appalachian counties. Our district is primarily rural, covers 3,720 square miles geographically, and has a population of 208,823.(1)

Compounding the health problems in our area, an average of 9.06 % in our district are still uninsured compared to the state average of 7.7%. The state average poverty rate is 16.3%, while in the Lake Cumberland District the average is 23.1%. Language other than English is spoken in 2.91% of homes in our district. Approximately 6.1% (12,765) of our district's residents are veterans. ** We do not have a YMCA or many of the low-cost health improvement opportunities offered in larger urban areas.

At present, the Diabetes Education Program is the only source of *free comprehensive* diabetes self-management education in the ten-county district. Data has been compiled and evaluated to identify the greatest need of DSME classes in order to reach population and demands. (See attached table.) We are providing all our diabetes education via HIPAA-compliant ZOOM at this time during to the current COVID19 pandemic. Our classes are promoted throughout the state.

Resources

Four Diabetes Educators (RN, Certified Diabetes Care Education Specialist,) teach DSME classes throughout the district. Interpreters are utilized for one-on-one education when non-English speaking individuals need assistance with diabetes education.

1Data from http://www.countyhealthrankings.org/app/kentucky/2021/rankings accessed 10/26/2021 2 Data from http://stateofobesity.org/rates/ 2021 data accessed 10/26/2021 ** Data from https://www.census.gov/quickfacts- accessed 10/26/2021

Note – Green indicates improvement. Red indicates area worsened. Black indicates stayed the same. Clearly COVID has had a negative impact on our rates of physical activity and obesity this

past year in many of our counties.
