National Association of Local Boards of Health (NALBOH)

“Opportunities the Challenging Environment Presents, and the Untapped Resources We Can’t Afford to Ignore”

Nancy A. Terwoord, RN, BS, CPHQ

East Great Lakes Regional Director-NALBOH

Presented March 28, 2012

Louisville, KY
THE FACTS*

Since 2008:

• LHD’s have lost 40 THOUSAND Employees

In 2011:

• 57% OF ALL Local Heath Departments (LDH) made cuts to at LEAST 1 program
• ~68% of the US population live in one of the affected jurisdictions
• LHDs lost 3X more employees than they gained
• 45% of all LHD report lower budgets than previous year

*2011 NACCHO Survey
National Association of Local Boards of Health (NALBOH)

**YOUR Organization:** Uniquely positioned to...

- Inform, guide, and give a national voice to local boards of health
- Provide resources, training, and networking opportunities
- Foster boards in their role as the essential link between public health services and a healthy community
Good Governance: Where Public Health Begins

NALBOH’s Vision:

Board of Health members are capable, knowledgeable, and effective leaders, appointed by a competent process, and well connected to public health and community stakeholders.
Good Governance: Where Public Health Begins

NALBOH’s Mission:

To Strengthen and Improve Public Health Governance

Be an EFFECTIVE Board of Health Member

As an Individual Board of Health Member:

- Know the laws, regulations, and rules of order governing your local board of health
- Understand and support the vision and mission of the board and health department
- Study your agenda and materials – be prepared to participate in discussions
- Be familiar with health department programs
- Advocate for public health in the community
Be an EFFECTIVE Board of Health Member

As a Team Member:

• Have respect for others on the board
• Participate constructively in discussions
• Cast your vote on your understanding of the community’s public health needs
• Abstain if you have a conflict of interest
• Support the final decisions of the board
• Do not micromanage health department staff
WHAT MORE CAN I DO...
