LCDHD DATA ANALYSIS COMMITTEE MEETING

<p><b>Clinton and Cumberland Salmonella and Campy Committee</b></p>	<p>Storyboard was presented for the project.</p> <p>Dr. Weyman contacted the medical staff at the chicken processing plant and attempted to build a relationship. Sherri Gibson, Cumberland County reportable disease nurse, has also contacted the factory nurse and is following up with her as necessary when additional cases present with ties to the factory. HD staff are strongly encouraging the factory to evaluate internal policies and procedures.</p>	
<p><b>School Immunization Rates</b></p>	<p>Reviewed LCDHD school immunization for 2013-2014, 2014-2015 and 2015-2016. Discussed adding rates to the health report card.</p>	<p>Amanda England and Becky Baker will work on compiling school immunization data in a format that will work for uploading to the health report card/website</p>
<p><b>Lead Levels in Children</b></p>	<p>Dr. Weyman has followed up with the lead levels in children of employees at Superior Battery in Russell County since the last committee meeting. She had nothing new to report.</p>	
<p><b>Next Meeting Date:</b></p>	<p>Next meeting will be June 27, 2018 at 1 PM (following executive staff meeting)</p>	<p><b>NEXT MEETING:</b> June 27, 2018 at 1:00 PM</p>
<p style="text-align: center;"><b>Meeting adjourned at 2:25 PM ET</b></p>
