

Due to Governor Andy Beshear's signed Executive Order, 2020-215, all restaurants and bars are closed to in-house, on-premises dining. Restaurants may continue to operate drive-thru windows, delivery, curbside service or carry out IF social distancing of 6 feet between patrons is being practiced. Mobile food trucks may operate at this time IF social distancing of 6 feet between patrons is being practiced.

**It is imperative that managers ensure social distancing is practiced by patrons in any lines that may form.**

The overriding goal of this Order is to minimize in-person interaction which is the primary means of transmission of COVID19.

The Lake Cumberland District Health Department has the full authority to enforce this Order and will. We know this is a hardship and we appreciate your cooperation.
