

RUSSELL COUNTY

Russell County is located in south-central Kentucky. Jamestown is the county seat. Russell County is a tourist community - it encompasses the beautiful Lake Cumberland with over 1,225 miles of shoreline. Russell County is the home to a trout stream that's one of a kind and has the 22nd largest dam in the United States, with its primary purposes of flood control and production of hydro-electric power. It is also home to the finest Resort Park and Fish Hatchery which makes it a choice vacation spot for tourism as it hosts over 4 million per year. Russell has an employment rate of 8.2 percent with the opportunity of a new Technical Facility opening soon to assist in skilled training to provide residents of the county additional job qualifications to attract new business to the area. Currently Russell County has over 67 organized churches for worship opportunities and is considered a great place to work, play and live.

Wolf Creek Dam

People

The population of Russell County is 17,775 with a median age of 43.4. 96.90% are White, 3.70% Hispanic/Latino, and 90% Black. 19.9% is 65 or older and 28% is under the age of 18.

Homes

The median household income is \$34,660. The median property value is \$88,600 and homeownership rate is 74.4%. 37% of children are living in single parent homes and 37% live in poverty.

Jobs

The most common employment sectors are Production, Administrative, and Sales. 84% of Russell County's population drives alone to work and 86% drive further than 30 minutes to work.

Health

Russell County Hospital is a 25-bed hospital that serves as a Critical Access Hospital (CAH). Health care provider ratios are: Primary Care Physicians 2,520:1; Dentists 3,540:1 and Mental Health Providers 1,110:1. 9% of the people under 65 are uninsured. Russell County is designated as a Medically Underserved Area/Populations (MUA/P) and Health Professional Shortage Area (HPSA).

What makes us healthy?

Many factors combine together to affect the health of individuals and communities. Whether people are healthy or not, is determined by their circumstances and environment. To a large extent, factors such as where we live, the state of our environment, genetics, our income and education level, and our relationships with friends and family all have considerable impacts on health, whereas the more commonly considered factors such as access and use of health care services often have less of an impact.

RUSSELL COUNTY

Health and Wellness Coalition Vision Statement:

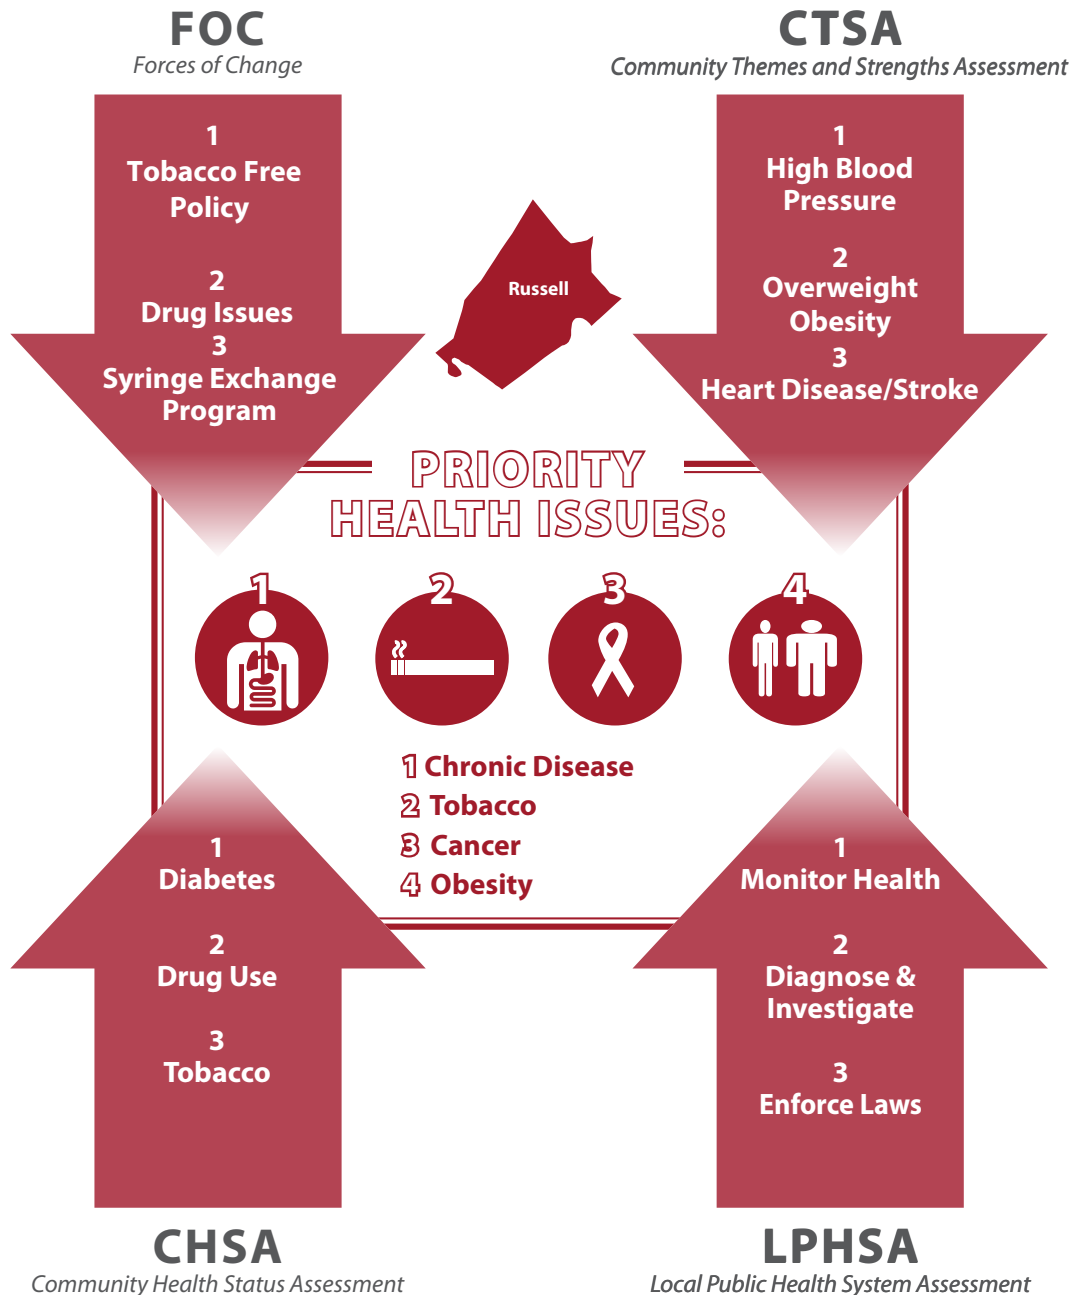

Russell County is a united community focusing on spiritual, emotional, mental, physical and economic health that empowers personal responsibility with the support of local partners and resources to make it a safe place to live, work, and play.

RUSSELL COUNTY

The Russell County Health and Wellness Coalition completed the Mobilizing for Action through Partnerships and Planning (MAPP), a community driven strategic planning tool in Spring 2018. Through the four assessments of this process, the following themes were identified as areas to research and determine strategies to improve the health outcomes of Russell County residents.

RUSSELL COUNTY: RESOURCES OR ASSETS INVENTORY

Russell County Health and Wellness Coalition

The priority health issues selected are Substance Use, Diabetes, Teen Pregnancy. To address these issues the health coalition has created a listing of assets and resources that will be employed to improve the health of Russell County residents.

Chronic Disease

- **Russell County Public Library** - Preventive educational programs
- **Russell County Law Enforcement** - drug prevention
- **Aceta Better Health** - Educational Programs focusing on youth
- **Partners in Prevention** - support of community tobacco prevention
- **Russell County Hospital** - Freedom from Smoking- Drug Program
- **Russell County Resource Directory**
- **Russell County ASAP program**
- **Russell County Health and Wellness Coalition**
- **Regional Prevention Center of ADANTA**
- **Celebrate Recovery/Breakaway Project**

Diabetes

- **LCDHD Diabetes program**
- **Friends of Wolf Creek National Fish Hatchery**
- **Russell County Hospital**
- **Russell County Extension**
- **Russell County Youth Service Center** - Longest Day of Play
- **Health Education/Diabetes Education** - Development of Facebook Page

Teen Pregnancy

- **ACE's Program**
- **United Methodist Church** - Youth program
- **LCDHD - RTR, TOPS**
- **Russell County Schools**

RUSSELL COUNTY COMMUNITY HEALTH SURVEY

A community health assessment survey was completed in December, 2017. There were 706 individuals that completed the survey. The survey results assisted in identifying prioritizing health issues. Below are a few of the questions and answers from the survey.

What do you think are the THREE most important factors for a "Healthy Community?" (Those factors which most improve the quality of life in a community)

Answers Top Three	% of Respdents
Drug-free community	54.39%
Good place to raise children	40.08%
Low crime/safe neighborhood	39.80%

What do you think are the THREE groups the needs the most help with access to health care?

Top Three Answers	% of Respondents
Elderly	36.87%
Low-income families	28.30%
Middle Class	11.90%
