An invocation was given by Dr. Richard Miles.
 After confirming a quorum was present, the meeting was called to order by Chair Gayle Phillips.
 Director Tomlinson was absent from this meeting, due to illness.

Topic	Discussion	Follow-up
Legal Authority		
Approval of Minutes	Dr. Robert Drake motioned to approve the prior minutes. Dr. Richard Miles seconded the motion. The board voted unanimously to approve the prior minutes. Motion carried.	None
New Member	Chair Gayle Phillips welcomed a new member to the board, Dr. Tonya Shea, DO from Pulaski County.	
Old Business	Chair Gayle Phillips asked if there was anything for which the administration had failed to adequately follow-up on since the last meeting. Nothing was noted.

The original amended budget the board approved in July had a surplus of \$1,241,738 and the amended budget presented now has a surplus of \$1,235,680 meaning that there would be a \$6,058 decrease in surplus. Mr. Cimala explained that this decrease in surplus would be overall immaterial in LCDHD's budget. The changes to the amended budget were as follows:</p> <ul data-bbox="597 940 1198 1192" style="list-style-type: none"> • The Radon Program required a 50% match from local health departments. • A switch to a different expense category for medical supply, there was no financial impact. • A requirement to budget for Medicaid varnishes from 50 to 150. <p data-bbox="597 1201 1182 1339">Judge Ricky Craig made a motion to approve the presented amendment to the amended budget. Motion carried.</p> <p data-bbox="597 1570 1198 1885">The LCDHD balance sheet for the period shows \$16,306,025.97 in assets with \$167,149.43 of that owed in current liabilities. The total of LCDHD's assets is equal to 9 months of this year's average expenses. LCDHD had \$19,118,421.87 in Year-To-Date revenues and \$16,873,598.88 in Year-To-Date expenditures resulting in a \$2,244,822.99 Year-To-Date surplus.</p>	<p data-bbox="1230 319 1302 352">None.</p>

	<p>For the most part we did really well in pulling down our funds for the year. The main reason we have the revenue showing that we came well under budget is the same reason the expenses came well under budget. The state wanted us to budget for our covid funds even though we knew there was a great chance we wouldn't pull all of them down.</p> <p>Finally, this note, DPH is eleven quarters behind on billing us for their Medicaid Match payments.</p> <p>The Medicaid Match amount due back to DPH each quarter is dependent on the amount of Medicaid money we receive for the previous quarter, but as DPH has delayed billing us for the last eleven quarters, we estimate approximately \$300,000 is now due back to the state out of Medicaid Revenue we've collected for services.</p>	
Grants Report	<p>Ron Cimala reports that there are no new grants to report at this time. Grants are being pursued as soon as they become available. LCDHD will soon be implementing an internal tracking system to better monitor grant status.</p>	
Holidays/Staffing	<p>Chair Gayle Phillips discussed the holidays and staffing issue that Executive Director Amy Tomlinson had detailed to her and the solution that the Director was considering and hoping for the board's approval. Due to the dates the holidays will fall in December (Christmas and New Years), staff will be off on the 25th-26th and the 29th. The Director would like to give staff an extra two paid days off, December 27th and 28th, meaning that the clinics will be closed for a full week. The Director anticipates that these days will be difficult to staff and Laura Woodrum, Director of Nursing, adds that the patient show rate is anticipated to be low on these days. Director Tomlinson can choose to close the clinics these days but Chair Gayle Phillips says that</p>	

	<p>Director Tomlinson would like to have the board's approval.</p> <p>Dr. Stephen McKinley makes a motion to give Director Tomlinson the board's approval of her plan for staff to receive the two days off. Dr. Richard Miles seconded the motion.</p> <p>The board voted unanimously to approve the motion. Motion carried.</p>	
Continuous Improvement		
Suggestions	The board was reminded by Chair Gayle Phillips that they can make suggestions via suggestion box, text, or email to be followed up on by the administration. None were presented during the meeting.	
Reaccreditation Status	Janae Tucker reports that LCDHD was reaccredited at every measure with no compliance plan. Reaccreditation status is good for five years and the agency will still need to complete and submit an annual report to PHAB for the next four years.	
Webpage Redesign Progress	Ron Cimala reports that the new LCDHD website is anticipated to go live on 9/11/23.	
Partner Engagement		
Back to School Immunization Events	<p>Laura Woodrum reports that LCDHD had their second year of Back-to-School immunization events in all ten counties. Over 200 children were vaccinated and around 1,000 people came through the clinics. The local farmers markets were set up at some clinics to encourage families to redeem their WIC vouchers.</p> <p>Dr. Richard Miles asks if LCDHD could look into a partnership where LCDHD clinics could be a vaccine storage facility that primary care doctors and providers could retrieve their vaccines from, improving vaccination rates by completing vaccinations without requiring another trip that the patient may not follow up on.</p> <p>Laura Woodrum, Director of Nursing says that Vaccines for Children (VFC) may not allow it</p>	

	and there are barriers that may block being able to do this.	
SB150 Impact on School Based Programs	Tracy Aaron, Health Education Director, reports that at the moment, Senate Bill 150 is not impacting the Health Policy and Promotion (HPP) programs LCDHD offer to the school systems in the district. HPP does offer teen pregnancy prevention programs but none of these programs cover gender identity in any form. SB 150 does require that parents be able to review the curriculum two weeks in advance which HPP has always done. The parents must also opt-in or opt-out their student which HPP has always done. At this time, SB 150 does not affect how HPP conducts school programs.	
Oversight		
COVID-19 Update	Janae Tucker, Epi Team Nurse Manager, reports that surveillance indicator suggest that all respiratory illnesses' seasons are starting early. LCDHD has been getting reports of flu throughout the summer and is starting to pick up across the district. Covid numbers that LCDHD has is not correct due to home testing and failure to report. However, Covid hospitalizations, ER visits, and outbreaks in long term care facilities are on the rise with people presenting with respiratory illnesses. The agency is helping as it can with providing PPE and vaccinations.	
Human Resources Report	Carol Huckelby, Human Resources Manager, reports that since the last board meeting, the agency has hired 18 new employees; 4 personal service contract and 11 full time merit employees. There were 5 off duties and 3 vacancies that will need to be filled in addition to the off duties. So far, LCDHD has done well with hiring new employees since the new compensation plan was implemented last year.	
Nominations for Officers	The current officers for the board are as follows: Gayle Phillips – Chair Judge Greene – Vice Chair	

	<p>At Large Members: Dr. Marlene Richardson, Dr. Richard Miles, Gina Goode, and Dr. Robert Drake</p> <p>Chair Gayle Phillips asked the board if there were any nominations for officers, there were none. Current officers who were present were asked if they would serve next year, all agreed to serve if there were no other volunteers or nominations. No further nominations were given.</p> <p>The board will vote on the officers at the December meeting.</p>	
Policy Development		
Strategic Plan Development, Board survey results	<p>Laura Woodrum reports that LCDHD is working with a group from UK Public Health group to revamp their strategic plan. The group conducted focus groups in all clinics to gain feedback from staff. The group also looked at patient satisfaction surveys and conducted a survey with the District Board of Health that had 18 respondents. All results were very positive. In around a month, LCDHD should have a new strategic plan.</p>	
New Policies	There were no new policies to discuss.	

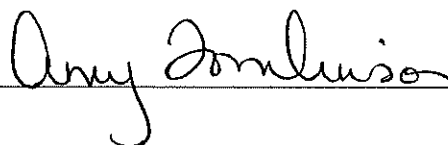

Chair set the next meeting date for December 5th, 2023 as an in-person meeting at Russell Springs at 7pm EST/6pm CST. .

A motion was made by to adjourn by Dr. Robert Drake and seconded by Dr. Stephen Mckinley . The Board voted unanimously to close the meeting. Motion carried and meeting was adjourned.

Resource Stewardship		

<p>Financial Updates/Directors Comments</p>	<p>Executive Director Amy Tomlinson presented the FY23 LCDHD Milestones, detailing the accomplishments LCDHD has achieved the last year and detailing the priorities for FY24. She began the presentation by explaining Public Health Transformation (PHT) funding, highlighting the key points of the programs the state requires health departments to do (mandated), are encouraged to do (core functions), and are optional to do (local health priorities). Ms. Tomlinson emphasized the importance of PHT being funded going forward as it has made an impact on many levels of Public Health over the past year to make sure LCDHD's communities have access to the services they need.</p> <p>She detailed the FY23 Milestones LCDHD accomplished. Hepatitis C clinics were done in McCreary County in a partnership with UK. Back to school immunization events were successfully held in all counties and are being done again this year. Painted Pathways were completed in Casey County on the walking trail in the Ag Center, these will be expanded into more communities. All public-school districts across the ten-county district have been provided with emergency equipment through LCDHD's preparedness program. A wastewater sampling project was completed in McCreary, Pulaski, and Russell counties to look at waste to track trends in Covid numbers. LCDHD adopted a new compensation plan that gave each staff member at least a 6% raise, leading to improved employee morale and retention. The agency has moved to a new and improved phone software system. LCDHD has continued to move to in-person services that bring people back into the clinics. LCDHD also awarded the second Public Health Hero Award, with Board Member Dr. Richard Miles being the recipient.</p> <p>Ms. Tomlinson detailed some of the grant money that LCDHD had pursued for FY23. The agency was the first health department in the state to be a recipient of Opioid Abatement</p>	<p>None.</p>
---	--	--------------

<p>Financial Position 5/31/23</p>	<p>grant money, receiving \$250,000. HANDS was awarded grant funding of \$266,000. A DLT Grant requesting \$458,000 was submitted to expand upon interpretation services, pending notification of funding. LCDHD received one time funding from the state to continue substance use programs (JEP), totaling \$270,000. The agency also received one time funding from the state for infrastructure totaling \$411,000.</p> <p>Ms. Tomlinson details the priorities she has targeted for FY24. She hopes for LCDHD to achieve reaccreditation in July, all documentation has been submitted. LCDHD is contracting with UK on updating the Strategic Plan. The agency is moving forward with forming a communicable disease EPI team to collect real time data for diseases in the district. Judge King asks if funding for these new EPI team positions are financially sustainable for the district, Ms. Tomlinson confirms they are included in the budget. Judge Marcum expressed his approval for the EPI team due to the necessity in the district. Ms. Tomlinson stated she would like to continue the priorities from last year of improving the image of the health department as a community partner and exploring EMR (electronic medical records). Dr. Miles expresses that LCDHD should look into EMR that's focused on patient care and not on insurance billing so as not to slow productivity.</p> <p>Ron Cimala presented the May 31, 2023 Financial Position</p> <p>The LCDHD balance sheet for the period shows \$15,272,283.84 in assets with \$152,141.56 of that owed in current liabilities. The total of LCDHD's assets is equal to 9 months of this year's average expenses. LCDHD had \$16,143,950.70 in Year-To-Date revenues and \$14,917,861.97 in Year-To-Date</p>	
---------------------------------------	---	--

<p>Budget FY 2023-2024</p>	<p>expenditures resulting in a \$1,226,088.73 Year-To-Date surplus.</p> <p>Our annual revenues are less than budgeted mainly due to some of our federal grant money received being less than budgeted through May 2023 and also not having received our second half of the year local tax dollars. Covid funds are part of this federal money and if you recall we overbudgeted for Covid funds due to state recommendation so we would have funds allotted to us.</p> <p>Finally, this note, DPH is ten quarters behind on billing us for their Medicaid Match payments. The Medicaid Match amount due back to DPH each quarter is dependent on the amount of Medicaid money we receive for the previous quarter, but as DPH has delayed billing us for the last three quarters, we estimate approximately \$300,000 is now due back to the state out of the Medicaid Revenue we've collected for services.</p> <p>We plan on ending the year at a \$1,800,000 estimated surplus. This is way less than budgeted due to the fact that we had significant state mandated salary increases back in October 2022 and we are trying to spend down our public health transformation dollars we received.</p> <p>Dr. McKinley asks if there's anyone LCDHD could contact about the Medicaid Match money in regards to the State being nine quarters behind on billing for the last three quarters. Ron Cimala says it would most likely not do any good but he would follow up with a DPH contact to find out when they will start billing.</p> <p>Ms. Tomlinson Presented the FY 2023-2024 Budget.</p> <p>Ms. Tomlinson explained that the budget that was approved by the budget sub-committee was slightly different from the "amended budget" that the board would be reviewing this evening. The state notified LCDHD that they</p>	
----------------------------	---	--

would be receiving \$411,000 for infrastructure after the budget had been finalized and approved by the sub-committee, therefore, the budget had to be amended to include this money. The money is considered a “wash” as it does not affect the bottom line of the budget. After the board reviews the sub-committee approved budget, they would also need to review the “amended” budget that contains this \$411,000 infrastructure money.

For FY 24, note our budgeted revenues are projected to increase by \$3,531,511 from our projected closing amount. Our budgeted expenses are projected to increase by \$4,318,002. This is a surplus of \$1,241,738 which factors in all employees receiving a 5% annual increment to salaries.

The budgets are based on April 2023 financial data and LCDHD may end somewhat higher or lower than projected as each program finished planned activities for the fiscal year.

Ms. Tomlinson went over the budget in detail. Salary, Leave, and Fringe will be our biggest expense difference due to the state required compensation plan.

Ms. Tomlinson and Mr. Cimala asked if the Board had any questions and there were none. The budget sub-committee had previously voted to approve the budget and recommended that the Board approve the budget. The first motion was brought to the Board from the budget sub-committee by Dr. Drake. The motion was seconded by Dr. Miles.

Dr. Drake makes motion to accept the budget as presented with the amendments to include the \$411,000. Dr Miles seconded the motion.

The board voted unanimously to approve the budget as presented. Motion carried.

Dr. Miles informed the board of the sub-committees’ comments on the 5% increase for staff salaries, stating that we’re still far behind

	on matching the increases to the rate of inflation due to past years where increases weren't given.	
Grants Report	Carol Huckelby reports that Amy Tomlinson covered all the grants in the Director's Comments and there are no further grants to report.	
Continuous Improvement		
Suggestions	The board was reminded by Ms. Tomlinson that they can make suggestions via suggestion box, text, or email to be followed up on by the administration. None were presented during the meeting.	
Oversight		
Human Resources Report	<p>Carol Huckelby, Human Resources Manager, reports that the BARS project is ongoing and it is going as scheduled. There's a tentative kickoff of April 2024 and it will impact all LCDHD staff.</p> <p>There have been two new hires since last meeting, both contract part-time peer counselors.</p> <p>There have been seven temporary workers brought on through the summer, all stationed throughout the district and helping with vaccine calls and catch-ups.</p> <p>There have been two off duties. This is still a huge slowdown from prior the new compensation plan.</p> <p>There are eight new employees scheduled to onboard on 6/26, several of these positions were previously unfilled and difficult to replace. Many of these programs are being built back to what they were pre-Covid.</p>	

Chair set the next meeting date for September 5th, 2023 as an in-person meeting at Russell Springs at 7pm EST/6pm CST. .

The proceeding meetings are tentatively set to be held December 5th, 2023, March 5th, 2024, and June 18th, 2024, in-person at Russell Springs at 7pm EST/6pm CST. .

A motion was made by to adjourn by Judge Greene and seconded by Judge Marcum. The Board voted unanimously to close the meeting. Motion carried and meeting was adjourned.

Reason for Request for Changes:

The Radon Program is a matching grant requiring a 50% match from each local health department receiving funding. The Environmental Management Branch is providing a \$2000 allocation at this time, but an additional \$2000 must be shown on the budform under local tax initiative or unrestricted funds. You may contact clay.hardwick@ky.gov for qualifying expenses.

Required Changes:

Please show the additional \$2000 in local tax or unrestricted dollars on the budform.

Reason for Request for Changes:

Your allocation of \$5,000 for this cost center would cover 270 non-Medicaid varnishes and none are planned.

Rev 1: I found 50 non-Medicaid varnishes planned for FY24.

Required Changes:

Please consider changing the non-Medicaid varnish services to at least 150 or contact me for a withdrawal of your allocation of \$5,000. Questions? Feel free to call me.

Rev 1: While you started with zero, a plan of 50 varnishes is still only 18.5% of the varnishes that could be supported by this allocation. If you want to stick to 50, I can modify your allocation. I'm still looking for 150. Feel free to call me.

Dear Lake Cumberland District Board of Health Members,

The following pages are the summary of the 2023 – 2024 Annual Budget for the Lake Cumberland District Health Department to be presented during the scheduled District Board of Health Meeting on June 13th at 6:00 CST/7:00 EST at the Russell County Health Department.

Page 3 of the enclosed materials should provide the most helpful and concise information. Page 3 which is titled, "Lake Cumberland District Health Department, FY 2024 Budget Summary and Comparative Analysis to FY 2023" presents the budget in a "thumbnail format." Each item in the column entitled, "Difference FY24 Budgeted to FY23 Projected," has a simple explanation in the pages that immediately follow. The remaining materials provide detailed budget information and various supporting documents.

For FY 24, note our budgeted revenues are projected to increase by \$3,530,728 from our projected closing amount. Additionally, our budgeted expenses are projected to increase by \$4,323,276.

The following pages show a FY24 budgeted surplus of \$1,235,680. Factored into this surplus is all of the employees receiving a 5% annual increment. In the last five years beginning with fiscal year 19 we have received a 2.5%, 0%, 5%, 5% and 5% annual increment.

Please also note, the 2023 end-of-year projections included in this budget were based on April financial data and LCDHD may end somewhat higher or lower than projected as each program finishes up their planned activities for the fiscal year.

As always, I encourage you to remember that we are a non-profit organization and our annual budget is primarily driven by our allocation projections as provided by the state Department of Public Health.

Budget Variance Explanations
Lake Cumberland District Health Department FY 2023-2024 Budget

Revenue:

State	\$	365,959	The main reason for the variance between budgeted and projected in state funds is that we received the one time public health block infrastructure grant to help us get some much needed improvements to our facilities.
Public Health Transformation	\$	106,773	Our Public Health Transformation funding is higher for this upcoming budget year 2024 that we received for fiscal year 2023.
Federal			We are once again needing to budget for all of the covid funds the state is allocating us for budget year 2024 which is a huge amount. In fiscal year 2023 we weren't able to pull down majority of these funds but we have to budget again the entire amounts so we can have the funds set aside for us whether we can use them or not. We will do our best to use what we can but more than likely will once again not spend anywhere close to the entire allocation.
Local	\$	255,275	Increase in tax contribution partially due to a slight increase in property values across the ten counties. Additionally, some taxing districts funded some special grants in their communities, and the local funds to cover those board approved grants are reflected here.

Program Contracts	\$ (44,923)	This actually isn't a variance. We do plan to spend the same in program contract, most all of which coming out of 727 but we changed the classification to Other Revenue reflected below.
Medicaid (Hands)	\$ (155,624)	No variance here really. We received another prior year settlement fund from the state to help cover our deficit in Hands but we never know for sure if we are going to get this each year so budget amount is lower.
Medicaid (Clinic))	\$ (5,436)	We plan on services decreasing as they have over the years in our clinic just due to other option people in the community have. For the most part though difference is immaterial.
Program Income Carry Over	\$ -	Difference is immaterial.
Self-Pay	\$ 79,705	We are planning for an increase in food and onsite sewage services for this upcoming budget year 2024.
Insurance	\$ 81,488	Planning for an increase in GO365 revenues if we stay with all of our locations and services in this program.
Other	\$ 36,831	This actually isn't a variance. We do plan to spend the same in other revenue, but we changed what classification we are receiving our space revenue in cost center 727 going from program contracts to Other Revenue.
Interest	\$ (30,914)	We plan on checking, money market and CD interest rates to drop back down in this upcoming budget 2024. We have a huge increase in interest income due to the high interest rate of return for this fiscal year 2023.

Period: June 2023

Financial Position

The LCDHD balance sheet for the period shows \$16,306,025.97 in assets with \$167,149.43 of that owed in current liabilities. The total of LCDHD's assets is equal to 9 months of this year's average expenses. LCDHD had \$19,118,421.87 in Year-To-Date revenues and \$16,873,598.88 in Year-To-Date expenditures resulting in a \$2,244,822.99 Year-To-Date surplus.

For the most part we did really well in pulling down our funds for the year. The main reason we have revenue showing that we came under well under budget is the same reason the expenses came well under budget. The state wanted us to budget for our covid funds even though we knew there was a great chance we wouldn't pull all of them down.

Finally, this note, DPH is eleven quarters behind on billing us for their Medicaid Match payments.

The Medicaid Match amount due back to DPH each quarter is dependent on the amount of Medicaid money we receive for the previous quarter, but as DPH has delayed billing us for the last eleven quarters, we estimate approximately \$300,000 is now due back to the state out of the Medicaid Revenue we've collected for services.
